STAGES

\$0.10

LAUNCH REFERENCE

ONE COMMUNITY. TWO MINEABLE COINS. THE SAME ECOSYSTEM UTILITY.

Nothing is removed or deliberately devalued. You keep the first opportunity and receive another one free.

YOUR FREE ADVANTAGE, EXPLAINED SIMPLY

What existing buyers receive

You keep the first opportunity and receive a second chance at no extra cost.

1

You keep every Legacy BDAG

Nothing is taken, exchanged or switched off. Your Legacy BDAG remains yours, mineable, usable and supported.

2

You receive eligible New BDAG without paying again

Your eligible first-launch coins and official purchases create a New BDAG allocation on your dashboard at no additional cost.

3

Both coins keep the same ecosystem utility

Legacy BDAG and New BDAG will both be supported across mining, wallets, the casino, BlockDAGX, the Super App and future BlockDAG products.

4

Both coins remain mineable

Legacy BDAG and New BDAG will both be mineable under their respective published network and reward rules.

5

You can enter Stage 1 as well

Your free allocation is already yours. Buying more is optional, but existing holders can access the earliest stage and claim a 15% bonus with code STAGE1.

THE FOUNDATION IS ALREADY BUILT

Why you enter stronger this time

MORE BUILT. MORE UTILITY. MORE LAUNCH SUPPORT.

Your free New BDAG opportunity begins with a live network, working products, miner deliveries and \$100M in planned launch liquidity already forming the foundation.

01 The BlockDAG blockchain is live

The core network and infrastructure exist. Both coins remain supported, while New BDAG powers the next stage of growth.

02 BlockDAG Casino is live

A live consumer product already gives the community a place to play, transact and experience BlockDAG utility.

03 Miners are being delivered

Mining hardware is reaching the community and expanding real participation around the network.

04 BlockDAGX is launching

The exchange adds trading, liquidity, users and another major utility layer for both BlockDAG assets.

05 The Super App is in development

The goal is one simple experience for wallets, mining, trading, swaps, spending, payments and rewards.

WHY THIS OPPORTUNITY BEGINS FURTHER AHEAD

The original Stage 1 began with a vision. This Stage 1 begins after the blockchain went live, the casino launched and miners started reaching the community - and eligible existing buyers enter with free New BDAG already allocated.

NOTHING IS ABANDONED OR DELIBERATELY DEVALUED

Two coins, the same ecosystem utility

Both Legacy BDAG and New BDAG will remain mineable, usable and connected across the BlockDAG ecosystem.

LEGACY BDAG

NEW BDAG

You keep every coin. Nothing is removed or clawed back.

Eligible first-launch buyers receive an allocation without paying again.

Remains mineable under its published network and reward rules.

Is mineable under the New BDAG network and reward rules.

Remains usable across the BlockDAG ecosystem.

Becomes the primary native coin while retaining the same wider ecosystem utility.

Continues as its own separate asset with ongoing support.

Connects the new launch opportunity, network activity, rewards and future growth.

Utility across the ecosystem

Mining

Both coins remain mineable under their respective published rules.

Wallets

Users can hold, receive and manage both BlockDAG assets.

BlockDAG Casino

Both coins will remain supported for ecosystem play, payments and rewards.

BlockDAGX

Both assets will connect with trading and liquidity across the exchange ecosystem.

Super App

Both will connect with wallet, mining, swaps, spending, payments and rewards.

Future products

Both assets will remain supported as the BlockDAG ecosystem expands.

25-stage public presale

Ecosystem**25B**

Products, growth and adoption

WHY STAGE 1 MATTERS NOW

The presale runs through 25 increasing stages. Stage 1 begins at \$0.002 and the final stage is \$0.05. Eligible old holders start with free New BDAG and can optionally add more before the earliest stage is gone with a 15% bonus through code STAGE1 on top of it.

\$100M PLANNED LAUNCH LIQUIDITY

New BDAG is planned to launch with \$100M in liquidity funded through presale proceeds and company funds. The aim is deeper liquidity and stronger trading support from day one. Liquidity and market price are not guaranteed.

15% EXISTING-HOLDER LAUNCH BONUS

During the announced launch window, eligible existing holders can use Special Key STAGE1 for a 15% New BDAG bonus. At \$0.002, \$100 buys 50,000 New BDAG; the eligible 15% bonus makes it 57,500. Terms apply.

WHAT HAPPENS NEXT

Your free head start is already waiting

1

Open your dashboard

See the New BDAG allocation reinstated from your eligible first-launch coins and official purchases. No new payment is required.

2

Keep using and mining Legacy BDAG

Legacy BDAG remains yours, mineable, usable and supported across the BlockDAG ecosystem.

3

Choose whether to enter Stage 1

Buying more is optional. Existing holders who participate during the announced window can use STAGE1 for the eligible 15% bonus.

4

Mine and use New BDAG

New BDAG will also be mineable and becomes the primary native coin for the next phase of network and ecosystem activity.

5

Enter launch stronger

After the final \$0.05 stage, New BDAG is intended to launch at a \$0.10 reference with \$100M in planned liquidity. You still keep Legacy BDAG with the same ecosystem utility.

THE MESSAGE TO REMEMBER

YOU KEEP LEGACY BDAG. YOU RECEIVE ELIGIBLE NEW BDAG FREE. BOTH REMAIN MINEABLE. BOTH KEEP THE SAME ECOSYSTEM UTILITY.

THE MESSAGE

**KEEP LEGACY BDAG.
RECEIVE NEW BDAG FREE.
MINE AND USE BOTH.**

SECURITY & RISK INFORMATION

Use only official BlockDAG links. Never share your seed phrase or private key, or send coins to unlock an allocation. Digital assets are high risk; prices and liquidity can change, and you may lose money. BlockDAG integrations, mining rules, listings and product availability remain subject to published technical and launch terms. This document is not financial advice.

YOUR FREE NEW BDAG HEAD START IS ALREADY ON YOUR DASHBOARD.

Open your dashboard. Use STAGE1. Do not miss the first stage.
